### SUGGESTED RESOURCE OF THE WEEK

**Self-Worth** by June Hunt:

Invisible. Insignificant. Deep down, have you always felt this way but never understood why? Generally, negative self-perceptions develop as a result of being treated in ways that cause us to feel devalued by significant people in our lives. Therefore the true solution to low self-worth is to apply the healing balm of truth to the wound in your soul in order that your mind will be transformed and you life changed.
